Q Favorite all time Quarter Horse?

A My favourite all time quarter horse would have to be A Splashy Investment. He has taught me more in the few years I have owned him then I ever could have expected. He is not only my horse but my best friend.

Q Proudest horse moment?

A I have 2 my first would have to be making the EOQHA Youth team my first year showing quarter horse with Mistrs First Choice. And then winning my first Hunter Under Saddle class with a Splashy Investment, knowing all the time and training I put into him paid off.

Q What is the best horse advice you've ever received?

A The best horse advice I have ever been given is to treat each horse as an individual, and to always set yourself high goals because you can do anything if you try hard enough.

Q What other non-horse activities or interests do you enjoy?

A Besides horses I don't really have many other hobbies, however I do like to spend time with my friends, family and boyfriend.

Q If it were just you and your horse living in the barn together for a year what 2 human comforts would you have to have with you?

A If I were stuck in the barn for a year I would definitely need to bring my computer and a huge supply of Tim Hortons Hot Apple Cide, for both Sterling and me.
