

**Name :** Kelly Truesdell ~ Youth

**Number of Years involved in Quarter Horses:** 17 yrs. (my whole life)

**Q** Favorite all time Quarter Horse?

**A** I've shown lots of horses and ponies but my all time favorite would be my current horse Cain (Tabus in Command). Cain is very humanlike and would give you his heart in exchange for an apple.

**Q** Proudest horse moment?

**A** Finishing in 3rd place in the 14-18 NRHA yearend standings in 2005.

**Q** What is the best horse advice you've ever received?

**A** Every time I go in the ring to show my dad tells me, "don't fall off". Pretty good advice since everything else isn't really important in the big scheme of things.

**Q** What other non-horse activities or interests do you enjoy?

**A** Between school and showing horses I don't have time for other activities  
When I was younger I played baseball, soccer, basketball and tried gymnastics and ballet but I gave it all up to spend more time with my horses.

**Q** If it were just you and your horse living in the barn together for a year what 2 human comforts would you have to have with you?

**A** Air conditioning and my plush blanket.
