Q Favorite all time Quarter Horse?

A My all time favourite would defiantly be my horse Little Scotch Toffee (Halle). Halle's my best friend, and she always tries very hardest at everything!

Q Proudest horse moment?

A I have two, first was being chosen to be a member of Team Canada for the Youth World Cup and the day that I bought my first horse (Halle).

Q What is the best horse advice you've ever received?

A The best horse advice I've received is to never to give up! Even if things aren't going where you want them to go, or you've hit a road block, never give up! Be patient, positive and remember that you and your horse are a team!

Q What other non-horse activities or interests do you enjoy?

A pretty much live at the barn (ask anyone!), but when I'm not at the barn I like to be with my friends, family and my pets. I'm also involved in musical theatre at my high school and I play guitar. I used to dance, and play competitive soccer...but I gave that up for horses!

Q If it were just you and your horse living in the barn together for a year what 2 human comforts would you have to have with you?

A I would defiantly have to bring cell phone (text messaging addict!) and an endless supply of Starbucks Caramel Lattes!
