Q Favorite all time Quarter Horse?

A Harley D Zip. I watched all the splits of the Amateur Western Pleasure at the Congress a few years ago and while watching the finals, I thought to myself, "That horse looks like it is truly a pleasure to ride, with natural movement, lacking intimidation, and pretty to boot." He placed first under one judge (coincidentally, under Joe Carter). Then, later that week, I saw him guide effortlessly in Trail and perform awesome lead changes in western riding. He's truly a great horse and is still showing and winning today.

Q Proudest horse moment?

A Finishing my last halter and trail points to earn my Amateur Supreme Championship with Shockem Jack in 2005.

Q What is the best horse advice you've ever received?

A Contrary to what they may seem, there is no perfect horse. Every horse has some flaw so enjoy the positive qualities your horse has and try not to focus on the imperfections.

Q What other non-horse activities or interests do you enjoy?

A Teaching, traveling, golf, and swimming in my pool.

Q If it were just you and your horse living in the barn together for a year what 2 human comforts would you have to have with you?

A A pillow and my laptop.
