Name : Maegan Nagy - Youth

Number of Years involved in Quarter Horses: I have been riding and taking lessons since I was six, and have been showing since I was eight.

Q Favorite all time Quarter Horse?

A It's hard to choose just one seeing as I've had two amazing show horses. But I would have to say my current partner in crime DYNAMICSTARINTHEDARK a.k.a. Lizzie (or more commonly called lizard. She is really fun to play around with but does her job in the show pen. She is a good partner and usually holds her end of the deal up.

Q Proudest horse moment?

A My proudest horse moment is current. It's getting all round novice youth for area 2. It's so awesome because it shows me that my hard work has paid off. Congress was cool too!

Q What is the best horse advice you've ever received?

A The best advice I have ever received came from my close friend. She always says to me "trust your horse and she'll trust you". Its so true because if I constantly fix my horse she gets irritated, where as if I leave her alone to do her job, she's like a dream.

Q What other non-horse activities or interests do you enjoy?

A Riding has always been the favourite, but I'm also big with theatre as well. I usually stage manage our school productions and am in hopes of someday perusing a career in that particular field.

Q If it were just you and your horse living in the barn together for a year what 2 human comforts would you have to have with you?

A I would need my cell phone just so I wouldn't get lonely with the lack of human activity. And I would also need a whole bunch of honey and oat granola bars. I love them, but lizard goes nutty over them! It's hilarious.
