The Reining Horse Sports Foundation (RHSF) is helping dreams of a college education come true for five NRHyA members.

The RHSF recently awarded five \$1,000 scholarships to help the high school seniors further excel in their future careers. All scholarship applicants met several requirements; an application, essay, high school transcripts and three letters of reference.

OQYHA member Russell Truesdell from Brights Grove, Ontario, was one of the 2006 recipients. Russell is majoring in Engineering at McMaster University in Hamilton, Ontario, Canada.
